Dog Ear Publishing. Paperback. Condition: New. 148 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Peaceful War is a story about an epic struggle between two races that reside on a distant planet. The two races are: the Sinsorians, who have a sub division called the Trocarians, and their bitter rivals and eternal enemies, the Demarians. And each one has their own reason for annihilating its rival and each race has their own driving force that leads them to continue the fight against the other. The Sinsorians fight for peace and the Demarians fight for complete land dominion. The roots of their epic struggle tie deep into their own ancient history. What started off as a rivalry would eventually escalate spiral out of control into a full scale war that consumes all who take part in it. His current career plan is to hopefully become a corporate lawyer in the distant future. The college that he wishes to attend is U of M Dearborn; this of course is subject to change in the near future. Of course, like all of the high school students out there, your choice of college is most likely...
