Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Enlightenment Here and Now is a summary of the Buddha s philosophy in his own words. This booklet outlines the Buddha s path of mental liberation in an enthusiastic passionate way. While oceans of ink have been spilled to rephrase the Buddha s message, Enlightenment Here and Now takes a different approach: The spirit of inner freedom (vimuttirasa) pervading the Buddha s message is being retold through the words of the master himself. Clarity, rationality, pragmatism and at the same time poetic beauty strike anyone reading Siddhartha s words. This inspirational booklet contains the pathway to Nirvana according to the step by step instructions which the Buddha himself taught. A powerful message of an inner journey to unshakable freedom radiates from these ancient words of wisdom, spoken by the Buddha 2500 years ago.
